TAYLORIA GREEN

I have had the opportunity to be apart of WEW since its inception and I believe that this ministry is true to what it says Reaching One at Any Cost. I have enjoyed seeing others as well as my self be blessed by this ministry. I am proud to say that this ministry believes in collaboration. We realized from day one, that we can do more when we all work together for one common goal. I have a heart for people and when we minister the love of God through outreach... Well it all worth it! I just can't explain how I feel. I am just blessed to be a SERVANT.

When I look back at the past years; I too smile and say God look at you! The impact that has been made in the lives of others is beyond our imagination. This ministry gives unselfishly to other organizations and ministries to help meet the needs of the community. Most of all I love it! Because we meet people right where they are! Encourage and helping them live healthy lives. We do what our resources will allow us to do and we do it in excellence!

I am proud to say that I am a member of WEW because every defeat is just an undercover victory!
